MANDATORY JOB WALK - A mandatory job walk will be conducted on Tuesday, July 5, 2011. Contractors should meet at the District Office at 10:00 A.M. Failure by any contractor to attend the mandatory job walk will invalidate any bid submitted.

Prevailing Rates of Wages. The minimum wages to be paid for labor shall not be less than the general prevailing per diem wage and rates for overtime and general holidays as determined by the Director of the Department of Industrial Relations, State of California, pursuant to California Labor Code Sections 1770, 1773, and 1773.1, which wage rates are available for inspection at the District office. This is a Federal project and compliance with the Secretary of Labor wages is also required. In the event of conflict, whichever schedule requires the higher wage rate is required to be complied with.

Proposal Guarantee. Each bid shall be accompanied by a certified check, cashier's check, or surety bid bond made payable to the District, in an amount equal to at least 10% of the amount of the total bid, and no bid shall be considered unless said check or

contract, shall be on forms prescribed by the District, and shall be executed by a corporate surety licensed to do business in California.

Eligibility of Bidders. No bid will be accepted from a bidder who does not hold a valid Contractor's License issued by the State of California, and his license number must appear on the proposal.

Competency of Bidders. Each bidder shall furnish the District with satisfactory evidence of his competency to perform the work contemplated. The District reserves the right to reject a bid if the bidder has not submitted a statement of his qualifications prior to the date of the opening of the bids.

Bidders must submit their qualifications prior to the time of the opening of the bids. The bidders will be required to furnish a statement covering experience on similar work, and a list of machinery, plant and other equipment available for proposed work. The District reserves the right to make such investigation of information submitted as is deemed necessary, before a rating is given, and to disqualify any contractor from bidding if deemed in the best interest of the District.

The bidder shall also submit a statement relating to his experience in performing construction work similar to that for which he is offering a proposal. He shall also file with the District a statement relating to the amount and condition of his equipment as often as may be required by the District. All bidders shall submit with their bid proposals the aforementioned statements of experience and equipment. Failure to comply with the foregoing instructions will be sufficient reason to reject the bid.

Quantities. Quantities given in the Bid Schedule of the proposal are approximate only, and are given solely for the basis of comparison of bids. The contractor will be paid for actual work accomplished, including materials and equipment actually installed and accepted, at the unit price bid in the appropriate items of the Bid Schedule.

Contract Time. The contract award, if made, will be made within ninety (90) days after opening of bids. No bidder may withdraw his bid within said period. The work shall commence within 10 days after receiving a written notice to proceed and shall be prosecuted diligently so as to have the work completed within 180 Calendar days after receipt of notice to proceed. The notice to proceed will be issued within 10 days after the contractor awarded the contract has properly signed the contract documents and furnished the required bonds and insurance policies and certificates.

If the Contractor refuses or fails to complete the work within the time specified, including authorized extensions, there shall be deducted from monies due the Contractor, not as a penalty but as liquidated damages, the sum of \$1,200.00 for each calendar day subsequent to the time specified and until the work is completed and accepted up to and including thirty (30) calendar days past the date established for completion. Contractor shall pay to District the sum of \$2,000.00 per calendar day as liquidated damages for each calendar day that Project shall remain incomplete past thirty (30) days after the date established for completion. In addition, the

are on file at local contractor plan rooms. Review the Santa Maria Airport web site for DAILY UPDATES regarding addendums, plan holders list, etc.

FEDERAL REQUIREMENTS
The work in the contract is included in Federal Airport Improvement Program No. 3-06-0237-28 and No. 3-06-0237-31 which is being undertaken and accomplished by the District. Attention of bidders is directed to the proposed form of contract and all documents and provisions therein described as "Contract Documents". No contract is binding upon the District until it has been executed by the District and delivered to the Contractor. The bidder must supply all the information required by the bidding documents or specifications.

NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EMPLOYMENT OPPORTUNITY (EXECUTIVE ORDER 11246, AS AMENDED).
The bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Opportunity Contract Specifications" set forth in Appendix 5 of the Specifications of the Contract.

The goals and time tables for minority and female participation, expressed in percentage terms for the Contractor's aggregate workforce in each trade on all construction work in the covered area is set forth in Appendix 5 of the Specifications.

This project is subject to the requirements of 49CFR Part 26 Disadvantaged Business Enterprise Participation. The owner has established a contract goal of .81 percent participation for small business concerns owned and controlled by qualified disadvantaged enterprises (DBE). The bidder shall make and document good faith efforts, as defined in Appendix A of 49 CFR Part 26 to meet the established goal.

Award of contract is also subject to the following Federal provisions: Executive Order 11246 and DOL Regulation 41 CFR Part 60 - Affirmative Action to Ensure Equal Employment Opportunity. DOL Regulation 26 CFR Part 5 - Davis Bacon Act DOT Regulation 49 CFR Part 29 - Governmentwide Debarment and Suspension and Governmentwide Requirements for Drug-free Workplace.

DOT Regulation 49 CFR Part 30 - Denial of Public Works Contracts to Suppliers of Goods and Services of Countries that Deny Contracts to Suppliers of Goods and Services of Countries that Deny Procurement Market Access to U.S. Contractors (Foreign Trade Restrictions). TITLE 49 United States Code, CHAPTER 501 - Buy America Preferences. Appendix 1

The following statements are required conditions of this Contract.
1. The proposed contract is under and subject to Executive Order 11246, as amended, of September 24, 1965, and to the Equal Employment Opportunity (EEO) and Federal Labor Provisions.
2. All labor on the project shall be paid no less than the minimum wage rates established by the U.S. Secretary of Labor.

3. Each bidder must supply all the information required by the bid documents and specifications.
4. The EEO requirements, labor provisions and wage rates are included in the specifications and bid documents and are

standards for which are contained in the specifications.

7. To be eligible for award, each bidder must comply with the affirmative action requirements which are contained in the specifications.

8. Disadvantaged business enterprises (DBEs) as defined in 49 CFR Part 26 shall have the maximum opportunity to participate in the performance of contracts financed in whole or in part with Federal funds under this agreement. Consequently, the DBE requirements of 49 CFR Part 26 apply to this agreement. Women will be afforded equal opportunity in all areas of employment. However, the employment of women shall not diminish the standards of requirements for the employment of minorities.

9. All solicitations, contracts, and subcontracts resulting from projects funded under the AIP must contain the foreign trade restriction required by 49 CFR Part 30, Denial of Public Works Contracts to Suppliers of Goods and Services of Countries That Deny Procurement Market Access to U.S. Contractors.

10. The Aviation Safety and Capacity Expansion Act of 1990 provides that preference be given to steel and manufactured products produced in the United States when funds are expended pursuant to a grant issued under the Airport Improvement Program. The Contractor or Subcontractor, by submission of an offer and/or execution of a contract, certifies that it:

a. is not owned or controlled by one or more citizens or nationals of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);

b. has not knowingly entered into any contract or subcontract for this project with a contractor that is a citizen of a national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list.

c. has not procured any product nor subcontracted for the supply of any product for use on this project that is produced in a foreign country on said list.

Substitution of Eligible Securities. Substitution of Eligible Securities, hereinafter defined, for any moneys of the Contractor withheld by the District to ensure performance under the contract may be permitted pursuant to and in accordance with Section 22300 of the California Public Contract Code. The term "Eligible Securities", as used herein, mean and include the securities listed in Section 16430 of the Government Code or bank or savings and loan certificates of deposit. At the request and expense of the contractor, Eligible Securities equivalent to the amount withheld shall be deposited with the District, or with a state or federally chartered bank as the escrow agent, who shall pay such moneys to the contractor upon satisfactory completion of the contract. The contractor shall be the beneficial owner of any Eligible Securities substituted for moneys withheld and shall receive any interest thereon.
