LOWEST RESPONSIBLE BIDDER. In selecting the lowest responsible bidder, consideration will be given not only to the financial standing, but also to the general competence of the bidder for the performance of the work covered by the proposal. To receive favorable consideration, a bidder may be required to present evidence that he has successfully performed similar work of comparable magnitude or submit other evidence satisfactory to the District that he or his associates are personally competent to manage the proposed undertaking and to carry it forward to a successful conclusion. Professional integrity and honesty of purpose shall be essential requirements. Each bidder must furnish, if required, a record of past performance and experience and show that his organization, capital and equipment are adequate for the successful prosecution of the required work and its completion within the time specified.

All blank spaces in this Bid Proposal forms must be fully and correctly filled in where indicated for each and every item. Bidder must state prices (written in ink, both in words and figures) for each item in the above Bid Schedules. In case of a discrepancy between the words and figures, the words (unless obviously incorrect) shall prevail. The undersigned bidder has checked carefully all words and figures on the above Bid Schedules and understands that the District will not be responsible for any errors or omissions on the part of the bidder in making up his bid.

ESTIMATED QUANTITIES. The undersigned understands that the quantities given are approximate only, being given as a basis for the comparison of bids, and the Santa Maria Public Airport District does not, expressly or by implication, agree that the actual amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any portion of the work, or to omit portions of the work, as may be deemed necessary or advisable by the Engineer without claim for damage or loss of anticipated profit and that the payment will be made only on the basis of the actual quantities or work performed.

ADDENDA: Addenda No.(s) ONE (1) 10/12/25 issued by the District amending, modifying, or supplementing the specifications, special provisions, or contract documents were taken into consideration in making this bid. The undersigned bidder has ascertained from District just prior to submitting this bid that he has received all addenda issued, if any.
