December 29, 2022

Project: **Rehabilitate Parallel and Connecting Taxiways A, A7, A8, V and W**
AIP: 3-06-0237-042-2022
Subject: Notice of Intent to Award Contract

Dear Mr. Wildhagen:

At their most recent regularly scheduled meeting, the Board of Directors of the Santa Maria Public Airport District accepted the bid Granite Construction for the Rehabilitate Parallel and Connecting Taxiways A, A7, A8, V and W project, in the amount of \$7,992,352.50 reflective of the negotiated adjustment of base bid quantities. Staff is proceeding with preparation of contract documents. Congratulations.

In the next few days Tartaglia Engineering, on behalf of the District, will prepare original contract documents for this project. Please proceed with initial efforts in securing necessary bonds and insurance policies. Going forward:

1. Tartaglia prepare and forward the contract documents in electronic format to Granite Construction.
2. Granite Construction receive, review, and if acceptable, distribute to surety and underwriter for supporting documents.
3. Granite Construction sign and date contract, aggregate with bonds and insurance, and forward all back to Tartaglia in PDF format for review and approval. If acceptable, documents are forwarded to District with recommendation for signature.
4. Forward District-signed contract documents to Granite Construction for file.
5. A Pre-Construction Conference at the airport scheduled at a mutually agreeable date and time in February 2023.

Sincerely,

TARTAGLIA ENGINEERING

Jason Hargreaves, P.E.
Project Manager

CC: Kerry Fenton, Acting General Manager, Santa Maria Public Airport District
