Additional Service Authorization

Date: October 30, 2025	
Client: Santa Maria Public Airport District	Task ID Numbers: X.4
Project Name: Santa Maria Airport Business Park Specific Plan Amendment	Project Number: 2123-02-CU21

Description of Work to be Performed

RRM Design Group, a California Corporation ("RRM Design Group"), has entered into an agreement with the Santa Maria Public Airport District (the "District") dated August 26, 2021 (the "Prime Agreement") for the project: Airport Business Park Specific Plan (the "Project"). Additional Services Authorized by the Client are subject to the Terms and Conditions of the Prime Agreement.

On February 13, 2025, a Second Amendment of the Prime Agreement was approved for additional specific plan work including a subcontract with the Natleson Dale Group to prepare the funding and financing chapter. On March 27, 2025, a Third Amendment of the Prime Agreement was approved for costs to prepare and process a parcel map to create a separate parcel along Foxenwood Lane at Foster Road.

The current Additional Service Authorization includes a request for budget to cover the ongoing processing of the Specific Plan document with the City of Santa Maria (City). A key goal of the updated document is to provide objective design standards to guide developers and provide for the streamlining of future projects through a City staff review rather than requiring all projects to be reviewed by the City Planning Commission. Work will be billed on a time and materials basis to allow the project budget to manage unexpected rounds of City review or other requests not currently anticipated without the need for a new Additional Service Authorization.

Task X.4: Processing Specific Plan

This task includes the following services:

- Editing of the Specific Plan in response to City staff comments and additional plan details requested by City
- Coordination with City staff on the review and processing of the Specific Plan
- Assistance and coordination with the required CEQA review
- Attending meetings with staff and public hearings

THIS LEASE, dated **November 13, 2025**, is made and executed by and between SANTA MARIA PUBLIC AIRPORT DISTRICT, a Public Airport District of the State of California (herein called "District") and **The Sum of My Arts, LLC, a California Limited Liability Company** (herein called "Lessee").

1. Leased Premises. District hereby leases to Lessee, and Lessee leases from District, for the term and rents, and upon the terms, conditions and covenants contained herein, the unimproved real property at the Santa Maria Public Airport (the "Airport") in Santa Maria, California, consisting of approximately 480 square feet within Assessor's Parcel No. 111-230-93, generally located on the ramp immediately west of Blosser Road and between Citation Court to the north and the perimeter road to the south, as shown cross-hatched on the plot plan marked Exhibit "A" attached hereto and made a part hereof (herein referred to as the "Premises" or "Leased Premises") subject to all existing and future easements, rights, encumbrances, rights-of-way, and matters of record.

Lessee is aware that the Premises are not a legal parcel. If the City of Santa Maria requires a parcel map for development of the Premises, Lessee shall pay all costs.

2. Lease Term. The term of this Lease shall be month-to-month and shall begin on January 1, 2026, regardless of when signed.

3. Rent.

a. Monthly Rent. Beginning January 1, 2026, and at all times during the term of this Lease, Lessee shall pay monthly rent to District at the per-square-foot rate then in effect for Outside Storage as approved by the District Board of Directors as the same may be amended from time to time at the sole discretion of the District. As of the date of this lease, per-square-foot rent for Outside Storage is \$0.353 per square foot. The amount due is \$169 on or before the 10th of the month.

b. Payment. Rent is payable on or before the first day of each calendar month during the term without prior notice, demand, deduction or offset at District's office at 3217 Terminal Drive, Santa Maria, CA 93455 or such other address as District may direct Lessee in writing.

c. Late Charge. Lessee acknowledges that late payment of rent by Lessee to District will cause District to incur costs not contemplated by this lease, the exact amount of such costs being extremely difficult and impracticable to fix. Such costs include, without limitation, processing and accounting charges. Therefore, if any installment of rent due from Lessee is not received by District on or before the date it is due (or on the next business day of the District that is not a Saturday, Sunday or holiday on which the administrative office of the District is closed for a whole day, if the date the rent installment is due falls on a Saturday, Sunday or holiday on which the administrative office of the District is closed for a whole day), Lessee shall pay to District an additional sum of ten percent (10%) of the overdue rent as a late charge. The parties agree that this late charge represents a fair and reasonable estimate of the costs that District will incur by

reason of late payment by Lessee. Acceptance of any late charge shall not constitute a waiver of Lessee's default with respect to the rights and remedies available to District.

d. Additional Rent. The rent shall be absolutely net to District. Lessee shall pay all costs, fees, taxes, liens, interest, insurance, charges, expenses, assessments, reimbursements, maintenance and obligations of every kind and nature whatsoever relating to the Leased Premises or the improvements to be constructed thereon that may arise or become due during the term or any extended term of, or arising out of the provisions of, this lease ("Additional Rent"). Lessee shall indemnify and save District harmless from and against Additional Rent. Should Lessee fail to pay any Additional Rent when due, District shall have all of the rights, powers and remedies provided for in this lease in the event of nonpayment of rent or other event of default. District shall at all times have the right (at its sole election and without any obligation to do so) to advance on behalf of Lessee any amount payable under the terms hereof by Lessee, or to otherwise satisfy any of Lessee's obligations hereunder deemed necessary to protect the interests of District under this lease. No advance by District shall operate, as a waiver of any of District's rights under this lease and Lessee shall remain fully responsible for the performance of its obligations under this lease. Any sums so paid by District shall constitute Additional Rent and shall be immediately due and payable from Lessee. Lessee shall reimburse District for all sums paid by District under this paragraph, together with all of District's reasonable attorneys' fees and costs, plus interest on all sums expended at the rate of ten percent (10%) per annum from the date paid by District to the date paid by Lessee.

4. Compliance with Laws. Lessee shall secure and maintain in force during the term of this Lease all licenses and permits necessary or required by law for the conduct of Lessee's operations. Lessee shall abide by and comply with, at Lessee's sole cost and expense, all applicable and valid laws, ordinances, statutes, rules, regulations and orders of federal, state and local governments and governmental agencies, including, but not limited to, any and all regulations concerning hazardous or toxic materials air and/or water quality, fire and/or occupational safety, and accessibility, which may apply to the conduct of Lessee's operations on the Premises, at Lessee's sole cost and expense.

Lessee shall observe, obey, abide by and pay all costs of compliance with any and all rules, regulations and operating procedures now in force or hereafter adopted by District with respect to the operation of the Airport.

Lessee agrees and understands that the rules, regulations, and operating procedures of the District shall be subject to change and/or additions from time to time, as determined by District.

5. Permitted Uses of Premises and Lessee Obligation. Lessee shall use the Premises only for storage of equipment and client contents, which may include shipping containers, vehicles, equipment, and other contents which do not otherwise violate the terms of this Agreement and applicable District policy. Lessee agrees to maintain a safety buffer of at least three (3) feet along the full perimeter of the Premises (which shall be measured from the fence line, if available), which Lessee shall keep completely clear of any equipment, vehicles, or other contents, whether or not such property belongs to Lessee.

Lessee shall not use the Premises or any portion thereof for any other purpose, without the prior written approval of District. Lessee shall use the Leased Premises and the Improvements only for this purpose or other uses approved in writing by District. In the event of any unapproved use, District may, at its option, immediately terminate this Lease. Nothing contained herein shall be deemed to give Lessee exclusive rights at the Airport in connection with any of the permitted uses herein.

6. Specific Prohibited Uses. Lessee shall not use or permit use of the Premises, or any portions thereof, for any of the following purposes:

a. Any use not specifically authorized by or incidental to the uses permitted by Paragraph 5 of the Lease.

For purposes of this provision, a reasonable period for notice is understood to be five (5) business days, unless an emergency condition exists in which case the District may make such necessary repairs or corrections immediately. All costs incurred by District in making said repairs or corrections, including but not limited to the cost of labor, materials, equipment and administration, shall be Additional Rent, and Lessee shall pay the same immediately upon receipt of a statement of District's costs. District may, at its option, choose other remedies available herein as allowed by law.

Nothing in this section defining the duty of maintenance shall be construed as limiting any right given elsewhere in this Lease to alter, modify, demolish, remove, or replace any improvement, or limiting provisions relating to condemnation or to damage or destruction during the final years of the lease term. No deprivation, impairment or limitation of use resulting from any event or work contemplated by this section shall entitle Lessee to any offset, abatement, or reduction in rent nor to any termination or extension of the leased term.

b. *Damage to and Destruction of Improvements.* Lessee shall promptly and diligently repair, restore, and replace as required to maintain in accordance with the immediately preceding paragraph, or to remedy all damage to or destruction of all or any part of the improvements on the Premises. District shall not be required to furnish any services or facilities or to make any repairs or alterations of any kind in or on the Premises. District's election to perform any obligation of Lessee under this provision after Lessee's failure or refusal to do so shall not constitute a waiver or any right or remedy for Lessee's default. District may, at District's election, re-enter the Premises and improvements with or without process of law without terminating this lease, and either or both collect these sums or bring action for the recovery of the sums directly from such obligors.

f. Termination and Remedy in Damages. No waiver by District of a default by Lessee of any of the terms, covenants, conditions or provisions hereof to be kept, observed or performed shall be construed to be a waiver by District of any subsequent default. If Lessee breaches this lease and abandons the property before the end of the term, or if its right to possession is terminated by District because of Lessee's breach of this lease, this lease terminates. On such termination, District may elect to recover the following damages from Lessee:

(1) The worth at the time of award of the unpaid rent, which had been earned at the time of termination;

(2) The worth at the time of award of the amount by which the unpaid rent which would have been earned after termination until the time of the award exceeds the amount of such rental loss that Lessee proves could have been reasonably avoided.

(3) The worth at the time of award of the amount by which the unpaid rent for the balance of the term after the time of award exceeds the amount of such rental loss for such period that Lessee proves could be reasonably avoided; and

(4) Any other amount necessary to compensate District for all the detriment proximately caused by Lessee's failure to perform its obligations under this lease, or which in the ordinary course of things would be likely to result therefrom; and

(5) At District's election, such other amounts in addition to or in lieu of the foregoing as may be permitted from time to time by the laws of the State of California.

The "worth at the time of award" of the amounts referred to in subparagraphs (i) and (ii) above is computed by allowing interest at the maximum legal interest rate. The worth at the time of award of the amount referred to in subparagraph (iii) above is computed by discounting such amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award plus one percent (1%).

24. Assignment, Subletting and Encumbering. Lessee shall not assign, transfer, mortgage, encumber or grant control of this lease or any interest, right or privilege herein or sublet the whole or any portion of the Leased Premises. Any such assignment, mortgage, encumbrance, transfer or sublease shall be void and, at the option of District, shall terminate this lease.

25. Signs. No sign, advertisement, notice or other lettering shall be inscribed, painted or affixed by Lessee on any part of the Leased Premises or on any portion of the Airport without the prior written consent of the District. Any such sign, advertisement, notice or other lettering must be removed by Lessee at Lessee's expense before the end of the term of this lease, including repair of any damage in such removal. Any sign not removed at the end of the term shall

be deemed abandoned and may be retained as property of the District or may be removed by District, in which case Lessee shall pay District the cost of removal thereof. At the expiration or earlier termination of this lease, Lessee shall execute, acknowledge and deliver to District within thirty (30) days after written demand from District to Lessee any quitclaim deed or other document required by any reputable title company to remove the cloud of this lease from the real property subject to this lease.

29. Covenants and Conditions. Each term and each provision of this lease agreement performable by Lessee shall be construed to be both a covenant and a condition.

30. Time of Essence. Time is of the essence of each term, condition and provision of this lease agreement.

31. Waiver. One or more waivers by District of any covenant or condition shall not be construed as a waiver of a subsequent breach of the same or any other covenant or condition. District's consent to or approval of any act by Lessee requiring District's consent or approval shall not be deemed to waive or render unnecessary District's consent to or approval of any subsequent or similar act by Lessee. No act or thing done by District or District's employees or agents shall be deemed an acceptance of a surrender of the Premises, and no agreement to accept such surrender shall be valid unless in writing signed by District. No provision of this agreement shall be deemed to have been waived by District unless such waiver be in writing signed by District.

Lessee, for themselves, their heirs, personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that in the event facilities are constructed, maintained, or otherwise operated on the leased property described in this lease for a purpose for which a DOT program or activity is extended or for another purpose involving the provision of similar services or benefits, Lessee shall maintain and operate such facilities and services in compliance with all other requirements imposed pursuant to Title 49, Code of Federal Regulations, DOT, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

2. Lessee for themselves, their personal representatives, successors in interest, and assigns, as a part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that (1) no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination in the use of said facilities, (2) that in the construction of any improvements on, over, or under the leased property and the furnishing of services thereon, no person on the grounds of race, color, or national origin shall be excluded from participation in, denied the benefits of, or otherwise be subject to discrimination, (3) that Lessee shall use the leased property in compliance with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted Programs of the Department of Transportation-Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

3. That in the event of breach of any of the above nondiscrimination covenants, District shall have the right to terminate this lease and to reenter and repossess the leased property and the facilities thereon and hold the same as if this lease had never been made or issued. This provision does not become effective until the procedures of 49 CFR Part 21 are followed and completed including expiration of appeal rights.

4. Lessee shall furnish its accommodations and/or services on a fair, equal and not unjustly discriminatory basis to all users thereof and it shall charge fair, reasonable and not unjustly discriminatory prices for each unit or service; PROVIDED THAT Lessee may be allowed to make reasonable and nondiscriminatory discounts, rebates or other similar type of price reductions to volume purchasers.

6. Lessee agrees that it shall insert the above five provisions in any lease agreement, contract, license, permit or other instrument by which Lessee grants a right or privilege to any person, firm or corporation to render accommodations and/or services to the public on the leased property.

7. Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participation in any employment activities covered in 14 CFR Part 152, Subpart E. In the event the aforesaid covenants are breached, District reserves the right to enter upon the leased property and to remove the offending structure of object and cut the offending tree, all of which shall be at the expense of Lessee.

15. Lessee by accepting this lease agrees for itself, its successors and assigns that it will not make use of the leased property in any manner which might interfere with the landing and taking off of aircraft from the Airport or otherwise constitute a hazard. In the event the aforesaid covenant is breached, District reserves the right to enter upon the leased property and cause the abatement of such interference at the expense of Lessee.

16. This lease and all the provisions hereof shall be subject to whatever right the United States Government now has or in the future may have or acquire affecting the control, operation, regulation and taking over of said Airport or the exclusive or nonexclusive use of the Airport by the United States during the time of war or national emergency.
