Press Release: Santa Maria Airport Celebrates 20 Years of Allegiant

Santa Maria Airport is excited to celebrate the 20th anniversary of Allegiant Air service. Allegiant inaugurated service at Santa Maria in February 2006 with nonstop service to Las Vegas Harry Reid International Airport.

“Nearly twenty years ago, Allegiant brought their low-fare, leisure service to Santa Maria, and we are delighted to celebrate their anniversary,” said Martin Pehl, General Manager of Santa Maria Airport. “Over the past twenty years, Allegiant has served nearly 800,000 passengers at Santa Maria.”

“Allegiant serves Santa Maria with multiple nonstop flights per week to Las Vegas, allowing for easy and quick access for everyone in the Central Coast to Las Vegas,” says Steve Brown, President of the Board of Directors for the Santa Maria Public Airport District. “Everyone on the Central Coast should utilize the great low fares and nonstop service from Santa Maria for their air travel needs.”

Santa Maria Airport offers nonstop service on Allegiant Air to Las Vegas Harry Reid International Airport and American Airlines with nonstop service to Phoenix Sky Harbor International Airport with connections to hundreds of destinations worldwide. Tickets can be purchased on allegiantair.com and aa.com. For more information, please visit SantaMariaAirport.com
